

The following projects are lifted up as important improvements at camp worthy of your investment. If you are a Thrivent member, you are eligible to apply for an ACTION grant of \$250 to put towards a project at camp. Simply chose one of the following, complete the paperwork necessary to apply with Thrivent, and once you are approved, you will receive a gift card of \$250 to be used for the project, or if the camp is purchasing materials or supplies, it can be turned over to Onomia to cover those expenses.

Line up a few helpers for the task, and join us on a workday weekend in the fall or spring or call the camp office for another date.

THANKS for helping out your favorite Camp!
