

The following projects are lifted up as important improvements at camp worthy of your investment. If you are a Thrivent member, you are eligible to apply for an ACTION grant of \$250 to put towards a project at camp. Simply chose one of the following, complete the paperwork necessary to apply with Thrivent, and once you are approved, you will receive a gift card of \$250 to be used for the project, or if the camp is purchasing materials or supplies, it can be turned over to Onomia to cover those expenses.

Line up a few helpers for the task, and join us on a workday weekend (April 25<sup>th</sup> or May 2<sup>nd</sup> 2015) or call the camp office for another date.

THANKS for helping out your favorite Camp!  
Email us for your project today!

Sincerely,

Jim Schmidt

### **Action Team Projects 2015!**

1. **Path Edging.** The new blacktop path shoulders need to be tapered to ground level with dirt and sod for safety. Needs: load of dirt, cut sod from garden area, tractor loader to move and carry dirt and sod.
2. **Health Kits.** Go through the health office and portable first aid kits to furnish fresh supplies and remove old. Needs: Band Aids, gauze, meds as needed (email us for a detailed list)
3. **Playground Upgrades.** Fix and replace swings and playground equipment. Needs: new swings, replace boards, refresh ground cover wood chips. Add slide?
4. **Gaga Pit.** This new game is sort of like dodge ball contained in a 10 yard wide hockey rink. Needs: Circular 4' wall built out of pressure treated decking and posts. Email us for a plan.
5. **Picnic Tables.** Repair or replace picnic tables. Needs: Home-build a STURDY 6' or 8' picnic table using pressure rerated wood or repair existing tables as needed. Email us for details.
6. **Food for Workday.** Feed the work crews in April or May! Needs: Good lunch and prep for 30-50 people.
7. **Sauna.** We would like to convert a portion of the boat house into a small wood fired sauna. Needs: Wood paneling and seating, insulation, door, wood fired sauna stove.
8. **Decks-** Retreat Center, Chapel, House. Repair and replace weak deck boards and joists as needed. Needs: 1.2x6" treated decking boards and 2x10 and 2x12 treated joists
9. **Bathhouse.** The campground showerhouse needs a major overhaul. Needs: New concrete floor, fiberglass wall covering, new toilet and sink. New water heater.
10. **Ramp to Chapel.** Replace wood ramp with concrete. Needs: 6x8 concrete ramp and landing.
11. **Commercial Mosquito Fogger.** Those darn pesky things... Needs: what in the market is available?
12. **Dorm Bathroom Faucets and Countertops.** Install new countertops and sink faucets in all three summer dorms. Needs: 6-8 new faucets and two new countertops in each of the three dorms.
13. **Path Lighting.** Install new walk lights by the Retreat Center. Needs: Cover cost of fixtures and install.
14. **Friendship Hall Window Replacement.** Replace decaying windows with new vinyl replacements. Needs: Groupings of 4 windows. Total of 8 groups.
15. **OTHER.** Let us know of a need we are missing!
